

**The Kenton County School District
Middle School Intramural Soccer League 2019
General Information**

The purpose of this league is for players to develop the fundamentals of soccer and to allow them opportunities to become leaders through empowerment, encouragement, and teamwork. All who sign up will be placed on a team with students of their own gender and grade level. Players will be assigned to a team to promote equality among all teams.

Since we do not want to compete with scholastic sports, this league is only open to those students who are not currently playing a spring sport for Kenton County schools.

All four middle schools in Kenton County will have both boys and girls teams for 6th, 7th, and 8th grade students. The four middle schools that will be represented are:

Woodland

Twenhofel

All games will be played at one of the three high school soccer fields. Games will be played on Saturdays between 12-4pm. Rules and Modifications 2019**

Rules: Unless otherwise noted, the league will be governed by the Official High School Rules published by the National Federation of State High School Associations.

Modifications:

1. Two 20-minute halves running clock.
2. The playing field may be modified depending on the number of players and skill level.
3. The clock will stop on the nearest dead ball or when the ball is a non-scoring threat every 5-minutes of each half to make substitutions. Substitutions are made only at the 15, 10, and 5-minute mark. All players must play at least 20 minutes of each 40 minute game. Coaches will determine when players go into the game. Each player must sit out an equal amount as their teammates. (Unless numbers dictate otherwise, ex: injury, sickness, etc...)
4. The 5 minute substitution mark is NOT A TIMEOUT. Coaches have 30 seconds to make substitutions. The referee will begin play after 30 seconds.
5. Two 1-minute timeouts per half. Unused timeouts do not carry over. The clock will stop on all timeouts.
6. Overtime- The first overtime period will be 5 minute sudden-death period; If a game goes into a second overtime, then we will have a 5 player penalty kick. A game will be called if the score remains tied after two overtime periods have been played. Teams will be granted one additional timeout during the overtime period.
7. Mercy Rule: Points will not be put on the scoreboard if a team is ahead by 10 goals. (Points will be put in the scorebook!) Always keep the score at a 10-point spread.
8. All players are required to wear soccer shoes, shin guards and soccer socks. A mouthguard is also recommended for all players.

Note to Coaches:

Games will start on the hour unless there is a run over from the previous game.

Practice space will be available for all teams 60-minutes prior to their game-time.

In case of inclement weather, the District Activities Coordinator will communicate the game status to the School Activity Coordinator. Information will also be posted on each school's activity webpage (see your school's webpage). The School Activities Coordinators will contact the coaches and it will be the responsibility of the coaches to contact their players.

Sportsmanship

It is understood by all persons associated with this program that the officials are using their best judgment to facilitate the instructional nature of the game. Coaches, players and spectators must conduct themselves in a manner that will reflect positively on their school and the Kenton County School District. Any unsportsmanlike conduct on the part of any coach, player, or spectator could result in expulsion from the premises. This will be determined by the school and/or district activities coordinator.
