

**The Kenton County School District Basketball League
Grades 4 and 5
2017-2018
General Information**

The purpose of this league is to introduce young boys and girls to the fundamentals of basketball and to allow them opportunities to become leaders through empowerment, encouragement, and teamwork. All who sign up will be **placed** on a team with students of their own gender and from their home school. Players will be assigned to a team to promote equality among all teams. The goal of this league is to help build school spirit and build lasting relationships.

All schools in Kenton County will have both boys and girls team(s) for 4th and 5th grade students. The county will be divided into two divisions and schools will compete against teams/schools from their division. The divisions are as follows:

Southern

Piner
Ryland
Summit View
Whites Tower

Northern

Each week, your child's team will compete against a team from their division, grade level, and gender. All games will be played at one of the schools' gymnasium in your division. All games will be played on Saturdays between 9AM-4PM. Each team will have one (1) 75-90 minute practice per week. Practice days will be determined by school coordinators and will be on weekday evenings. Practices will begin the week of October 16th and continue until the end of the season. Games will begin Saturday, November 11th and run for 9 weeks (excluding Thanksgiving weekend, Christmas Break and New Year's). The last regular game day will be Saturday January 28, 2018.

All coaches will be volunteer coaches and will be **required** to attend a mandatory coaches meeting with the school's Athletic Coordinator. (Date and time will be announced at a later date.) They must be on the approved volunteer list at Central Office, **which will require fingerprinting.**

All parents of players will be required to attend a mandatory meeting with the school's principal and athletic coordinator. (Date and time will be announced at a later date.)

In addition to providing medical insurance, parents/guardians must also assume responsibility for any other expenses that may result from an accident or injury during extracurricular activities.
